

Kingdom Apostolic Network Summary Sheet

Kingdom Apostolic Network (KAN) is a network of apostolic-prophetic, ministries who are bonded together by a common heart and vision to bring the full restoration of the corporate church.

Revelation 11:15 ...*The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever.*

Matthew 13:47-48 *Again, the kingdom of heaven is like unto a net, that was cast into the sea, and gathered of every kind: Which, when it was full, they drew to shore, and sat down, and gathered the good into vessels, but cast the bad away.*

PURPOSE

The purpose of this network is to bring together apostolic leaders that are willing to engage and intercede in their community by tearing down and rooting out spiritual strongholds in order to demonstrate God's Kingdom in the earth. This network will provide a covering for accountability, fellowship, resources and training for fivefold ministers.

VISION

To grow a network of Kingdom Minded ministries that will connect with other KINGDOM MINDED networks, fellowships and organizations to engage in systems in our world for the purpose of advancing God's Kingdom in the earth.

HOW TO CONNECT WITH KAN

The Network Agreement should be used to define the relationship and the communication process between partner ministries and KAN. The emphasis of the relationship is to be kept on a fellowship or relationship basis. Personal communication is vital in the network relationship. Although rules are important, real strength is built by communication, covenant commitments and relationship.

Although some members are covered by KAN., each ministry in KAN can have a covering independent of KAN.

Formal Description of Kingdom Apostolic Network

The ministries that are connected with K.A.N. may be independent and autonomous in relationship to each other, but are interconnected in the body of Christ through the definition of the work that each ministry completes.

Those seeking to be connected to and ministry leaders in KA.N **must** be covered under some leader and/or organization (Bishop, Overseer, Fellowship, etc...) for accountability and proper order in the body of Christ; the coverings of these ministries may or may not be directly affiliated with K.A.N. but have similar strategies in advancing God's kingdom in the earth. It is the purpose of this network to build relationships with various KINGDOM MINDED groups and organizations with the Body of Christ.
